

**Amendments to the WRA Minutes
June 12, 2017**

1. An email and text vote following the motion to hire Charles Bacigalupi (See Unfinished Business from the June 12, 2017 Minutes) resulted in clarification of the original motion with the proffered salary. Again, Ellen Phillips made this motion, which was seconded by Lana Freeland; eleven (11) voted in favor and one (1) abstained. Therefore, the final motion to offer the position to Charles (Charlie) Bacigalupi passed.
2. An email and text vote request for action pursuant to resident Vink's request for vehicle repairs was followed by Rene Straub's motion that the WRA's insurance company open two claims for the incidents. Jody Hermann will forward to them videos of the two damages and of the resident who precipitated Mr. Vink's accident. Ellen Phillips seconded the motion, which carried unanimously.

Respectfully submitted,

Ellen Phillips, Secretary

Tim Haralson, President
